

# CANDY COVERS™

## Custom Roll Bar Covers

By: Trail & Street Customs

Marine Vinyl has a PVC coating and a mesh like backing. Fabric has a light fastness (degree to which a dye resists fading due to light exposure) of 500 hours and has antifungal and antibacterial properties. Weather proof & easy to clean with soap and water. Industrial strength Velcro closure for easy application. Padding is 1 inch thick, features offset holes, providing more padding where it's needed and is flame-retardant for added safety.
